

# WELCOME

We are "PAWS"-itively thrilled that you will be in Kindergarten at Greenwood!

"We hope to see you and your parents at the Kindergarten Open House on Tuesday, August 27<sup>th</sup> from 6:30 - 7:30 p.m. When you arrive, you will have a chance to see your classroom and meet your Kindergarten teacher. We can't wait to meet you. It's going to be a great year!" - Mrs. Berrada, Mrs. Brian & Mrs. Koch

**To help lighten your load on the first day of school please bring all of the items on the enclosed supply list to Open House.**

\*\*\*Parents and caregivers: Please note, this Open House is your opportunity to have a sneak peek of the kindergarten classrooms. Also, this will help your child have a "practice-run" of what they will do independently when they come to school each morning. On the first day of school, parents and caregivers will be saying 'goodbyes' at the door (per Greenwood's security procedure) and not coming into the classroom.
